

# 300x250 In Banner Video with expandable canvas

The screenshot displays the Xfinity website interface. At the top, a navigation bar includes links for Home, TV, Connect, Account, Shop/Upgrade, Help, and Security. On the right side of the navigation bar, there are links for My Profile, Set-up, and a user profile for Hi NICOLETYRRELL5189 with a Sign Out option. Below the navigation bar is the Xfinity logo and a search bar with a Google logo. The main content area is divided into several sections: a weather widget for Minneapolis (52°), a user profile for NICOLE (Sign Out, View Account), a promotional banner for XFINITY Home, and a list of services (Email, Voicemail, Text Messages, DVP Manager). The central focus is a large video player with a blue background and white text. The video player has a play button, a progress bar, and a close button. The video content shows a beach scene with children playing in the sand. Below the video player is a section for 'Top Videos' with a grid of video thumbnails and titles: 'Cure for Gray Hair Found?', 'Bieber Tackled, Piano Toppled', 'Reese Mocks Arrest with Hat?', 'Dad, Son Have Dance Battle', 'Kobe Devastated by Mom's Move', and 'Pirates' Ties the I'. To the right of the video player is a section for 'Watch Live TV Online' with 'ON NOW' and 'UPCOMING' tabs. The 'ON NOW' tab is selected, and the featured content is 'LIVE | 8:00a-3:00p | CNN' with the title 'CNN Newsroom: Updates of the latest'.
