michelin guide adds minneapolis

2027 | Minneapolis

The new, multi-city MICHELIN Guide for the “American Great Lakes” will include Minneapolis, bringing additional attention to Minnesota’s already diverse and unforgettable food scene.

national loon center

2027 | Crosslake

The fifth animal center in Minnesota is dedicated to the Common Loon, Minnesota’s state bird, whose iconic call echoes across lakes statewide. This interactive, educational and recreational center will be a destination for nature-lovers and conservationists.

upper harbor amphitheater community performing arts center

Summer 2027 | Minneapolis

This new 8,000-seat venue along the Mississippi River will host around 50 events annually. The outdoor setting, designed to accentuate the site’s history as a shipping terminal, connects performing arts with nature. Plans include seating that “floats” over the park for unique, intimate viewing.

minnesota hockey hall of fame

2028 | Inver Grove Heights (metro area)

As a complement to the U.S. Hockey Hall of Fame located in northern Minnesota, this attraction will include a museum with hands-on exhibits and 360-degree digital experiences, a performance hall, a hockey-themed bar and restaurant and, of course, an ice rink.

ryder cup

September 21 – 23, 2029 | Chaska (metro area)

This prestigious biennial men’s golf tournament featuring teams of 12 top players from the USA and Europe will be held at Hazeltine National Golf Club. This marks the first – and only – time an American course will host the Ryder Cup twice. That honor has only been awarded to a handful of courses in Europe since its inception in 1927.

world horticultural expo 2031

May to October 2031

For the first time ever, the International Horticultural Exposition is coming to the United States. The exhibition is similar to a World’s Fair and will take place just outside of Minneapolis/St. Paul. Over 80 countries will be represented, highlighting their technological advancements in horticulture and sustainability. Expo 2031 is expected to attract more than four million visitors from around the world.
